Tour leader bios.

Wayland resident Larry Kiernan is Wayland's Representative to the (104 miles) Mass Central Rail Trail Committee (MCRT), the founder of the Friends of the Wayland Rail Trail, a husband, dad, mountain biker, occasional hiker and basketball player (when not hurt). He has oodles of stories about the 25+ year journey to get the Wayside section of the MRTC as built as it is right now.

Geoff Tillotson has been a Tour Leader for Ciclismo Classico—one of the premier bike touring companies in the world. He has also been on most of the rail trails in the northeast and he's a compelling advocate for the MCRT.
